

the TC Pussyhat by Karen Clements

Materials:

Yarn: @60yds/54m Magnum by Cascade color #9482

Hook: Tunisian size S/19mm by ChiaoGoo

Darning needle for sewing sides.

Stitch used: Tunisian Simple

Measurements before sewing: 11" x 17" (27cm x 43cm)

Start:

Chain 16, and starting from the 2nd chain from the hook pull a loop through each "bump" on the back of the chain. *Going through the bump on the back of the chain will make for a nicer edge.*

Work Tunisian Simple until piece measures 17".

End on a row with all the loops on the hook.

Remove the hook and with your fingers pass one stitch over the next to the end (*see photos below*).

Fold in half and sew sides together.

Weave in ends and wear with pride!

For a tutorial on the Tunisian Simple stitch go here: knit1la.com

the TC Pussyhat by Karen Clements

Above: Take loops off of the hook. Starting from the righthand edge feed the beginning loop through the one to the left of it. Below: Repeat to end. Secure last loop.

Sew the short sides together by starting at the bottom edge and the right sides facing out. Use the Blanket Stitch by picking up the 2 horizontal bars closest to the edge. Work to the top, weave in ends.
